

## NEWS AND VIEWS...

### And What Have You

By BOB CRAIG

Last year a few of us "nuts" who run around the country on motorcycles got together and decided that we should form a local club. After we got it organized we had to come up with a name for it.

Apparently our choice was most fitting. We came up with the name "Four Winds Road Riders" and this past weekend we had riders just about scattered to the four-winds. Barbara and I went to Houston, we had two couples go to Big Bend and another crew left for Las Vegas on Saturday. The rest just stayed here and puttered around.

On our way to Houston, Barbara and I stopped in Hamilton to visit with our friends who have the newspaper there. It is interesting to see the look on people's faces when you get off the cycle and they realize that they know you.

Small World Dept. — Our daughter Beth moved to Houston a couple of weeks ago and while we were visiting her this weekend I called my aunt who lives there. She had moved last fall and she now lives in an apartment complex within about four blocks of Beth's apartment. And this in a city of well over a million people.

Another newspaper friend of ours, Harold Hudson of Perryton, is currently serving as vice president of the National Newspaper Association and will soon become president. In the course of his responsibilities with this organization he recently attended a government affairs conference in Washington. Some of his views of that conference are well worth repeating and point out how much trouble those of us living here in Texas are in when it comes time to get an energy or farm policy out of Washington.

"At the government affairs conference (in Washington) one entire session was devoted to the energy crisis.

"We came out of that session convinced that the political leaders in Washington will be slow to solve the crisis and that the best they can offer is some sort of spreading around of the shortages. We heard Rep. John Dingell, Michigan Democrat, who is chairman of the House Subcommittee on Energy and Power. Mr. Dingell lost his temper and attempted to give us a dressing down in much the same manner he dresses down other people from the oil and gas producing states. Jack Allen has had a taste of the Dingell verbiage as have other delegations from the oil industry.

"We asked Rep. Dingell what we thought was a logical question but he thought it frivolous and got mad about it. What we said was: "Rep. Dingell, would you be willing to sponsor legislation that would impose price controls on the coal industry, setting the price at or below the cost of production, and also require that coal shipped across the state line must sell for less than coal sold in the state where produced? And would this increase coal production?" He said he regarded this as a frivolous question and we replied that it was not frivolous because this is the approach being taken toward the oil and gas industry, holding a price ceiling on producers and hoping that they will step up production.

"Rep. Dingell said he guessed from our accent that we were from Texas and that he was tired of listening to people from Texas and Oklahoma and Louisiana asking for decontrol of natural gas so that they could fill their pockets with excess profits. He said that as far as he was concerned, price ceilings on gas and oil would remain indefinitely and he was working to make intrastate gas bring the same price as interstate gas because when the higher price is paid, less gas is shipped across state lines to

## Nazarene Church Dedication Service Planned for Sunday

Dedication Service for the new building of the Church of the Nazarene will be held at 2:30 p.m. Sunday with the General Superintendent of the International Church of the Nazarene as special speaker.

Dr. Orville Jenkins of Kansas City, Mo. was formerly West Texas District Superintendent before becoming General Superintendent for all churches in the international work of Nazarene churches. He will speak at the afternoon dedication service and at the 10:40 a.m. worship service.

Dr. Lyle Eckey of Lubbock, West Texas District Superintendent, will take part in the dedication service. Others on the program will be members, former members, pastors in the district, and the pastor, the Rev. Marshall Stewart.

Elizabeth Polk of Austin will be at the organ. The invocation will be given by the Rev. W. L. Little, pastor

of the First Church of the Nazarene in Abilene. The scripture will be read by the Rev. Russell Harris, pastor of the Trinity Church of the Nazarene in Abilene. Odean Murphree of Denison will lead congregational singing.

Special music will be presented by the choir and by Randy Hudgins, a student at Texas Tech at Lubbock.

The Rev. Howard Smith, pastor of the Hamlin church from 1948-1951, will give the benediction. He is pastor of the Church of the Nazarene in Dodson.

The public is invited to the dedication service and the open house to follow, says the pastor. Invitations have also been sent to churches in the West Texas District and the four other Texas districts.

The church was used for the first time Sunday, Feb. 27. Cost of construction and furnishings was \$150,000. The structure of white mission stone includes the sanctuary and educational wing.

## Boys' District Track Meet Set At Jayton

The boys District 7-A track meet will be held Tuesday in Jayton for high school varsity, junior varsity and junior high school teams. The field events will start at 12:30 p.m. with the running prelims set for 10:30 a.m. and the finals at 4:30 p.m.

All eight district members will have teams in the meet. Competing with the Pipers will be teams from Knox City,

Paducah, Aspermont, Haskell, Crowell, Rotan and Munday.

The Pipers finished in fifth place at the Ballinger Invitational track meet Saturday with 41 points and will be open this Saturday.

Class AAA Lake View won the meet with 97 points, followed by Class AA Colorado City with 81 points.

Delbert Thompson picked up Hamlin's only first place

## Senior Citizens Are Busy On Their Building Project

The saying that the "elderly should retire to something rather than from something" was evidenced by members of the American Association of Retired Persons when they reported the work they had been doing on the building and fundraising Thursday at a meeting in the Fellowship Hall of the Baptist Church.

Reports of the rummage sale and announcement of the bake sale were made.

The building committee reported that much progress is being made in the tearing down of the old building. Many members gave hours of work; and the senior citizens, who are not members are invited to work any time. The center will be for all the older people of Hamlin, not just AARP members, they said.

Mrs. T. C. Gregory and Mrs. Earl Brown reported on meeting with councils, commissioners and on the meeting Thursday with the Council of Governments and the Area Agency on Aging where a mini-grant of \$2,000 was asked for and approved.

They also reported on a workshop held in Abilene where the role of the churches and the older person was discussed.

The lots have been purchased at the corner of S. W. 3rd and Ave. B. Donations will be appreciated and all donors' names will be put in a plaque in the new building. May is Senior Citizen Month and many activities are being planned, including a Senior Citizen Day at some churches.

A banquet for the older Texans of Jones County is also being planned by Nacy Wilburn and members of the Aging Subcommittee.

### Registration

PeeWee Baseball registration for those who have not registered will be Monday at 7 p.m. at the primary cafeteria.

Mr. and Mrs. Herman Sharer visited their parents, Mrs. H. E. Sharer and Mr. and Mrs. E. L. Jenkins Sr., Sunday.

## Swiss Motorcyclist Visits Here While On Tour of United States

Rolf Kohler of Neuchatel, Switzerland, who has been touring the United States by motorcycle for the past two weeks, arrived Friday to the home of Mr. and Mrs. Melvin Scott, whom he had met through the American Motorcyclist Association.

Kohler had traveled 4000 miles from New York to Miami across the upper west coast of Florida to New Orleans, Houston, Huntsville, Dallas and Ft. Worth and into Hamlin.

Saturday morning Kohler, Mr. and Mrs. Gary Thornton and the Scotts cycled to Big Bend National Park for the weekend. They also visited Fort Davis and McDonald Observatory in the Davis Mountains. Kohler left the group at Pecos enroute to Carlsbad Caverns. N. M., and

back to El Paso. His plans include a visit to the west coast, touring Yosemite and Yellowstone National Parks, Niagara Falls and New York before his return to Switzerland.

On commenting about his tour of the U.S., Kohler was impressed greatly by the friendliness of the people of this country and especially by the vastness of Texas. Mrs. Scott said.

The Scotts entertained their visitor with a wiener roast at Smith Park on the Salt Fork of the Brazos River north of Hamlin Friday evening where they were joined by other cycle enthusiasts. Several members of the local cycle club, Four Winds Road Riders were able to meet and visit with

## School to Offer Senior Citizens Noon Meal

Beginning Thursday, April 21, Senior Citizens will be served the noon meal at the Hamlin High School Cafeteria on Thursdays for a nominal fee, according to Johnnie Faye Hastings, cafeteria supervisor.

The service has been made available through a co-operative effort with the school and organizations for older citizens.

Those desiring to take advantage of this service may call Mrs. Earl Brown at 576-2465, Mrs. T. C. Gregory, 576-2218, Mrs. Raleigh Bond, 576-3098 or Mrs. Fred Rosenbaum, 576-3900 to make necessary arrangements.

## Volleyball Tournament Continues Here Tonight

The fifth annual community-wide volleyball tournament sponsored by the Hamlin FFA Chapter is currently underway with the first round of play held here Tuesday in the Public School

gymnasium. Play will continue tonight (Thursday), Friday and Saturday.

Play will begin at 4 p.m. today, at 5:30 p.m. on Friday and at 6 p.m. on Saturday. The consolation finals and the

championship finals in all five divisions will be played Saturday evening.

The tournament has 57 teams entered this year with eight teams in the Girl's Division; 16 teams in the Boys' Division; seven teams in the Ladies' Division; 10 teams in the Men's Division; and 16 teams in the Mixed Division.

All teams in the girls', boys', ladies', and men's divisions played Tuesday evening and will play their second game tonight. There will be four boys' games and mixed competition on Friday.

Admission at the door will be 50 cents for students and \$1.00 for adults. Players will pay admission. Proceeds from the tournament will be used by the FFA to finance its projects during the year.

## Joe Ford Re-elected Foundation President

Joe Ford, executive vice president of Farmers and Merchants National Bank, was re-elected president of the Hamlin Industrial Foundation at the organization's annual meeting held here Tuesday evening in the city hall conference room.

Other officers re-elected were John Watts, local attorney, vice president; Peggie Bonds, Hamlin Board of Community Development manager, secretary; and S. C. Ferguson Jr., vice president of F and M National Bank, treasurer.

Directors elected for three year terms were Ferguson, Pat Willoughby, manager of Joe Hudspeth's; and Robert Moore, Pied Piper Mills. Other directors of the board are Robert Fowler, Bill Feagan, Mrs. Bonds, Ford, Watts and Bob Craig.

The organization, formed a little over two years ago has

assets of \$17,895.24, according to the financial report given by Ferguson. This includes a building and lot owned by the Foundation valued at \$15,500, \$155.10 in cash; and \$2,240.14 in savings.

Since its founding the Foundation has received \$16,674.58 in pledges, \$1,450.00 in rent and \$577.15 in interest. Expenses for the past year totaled \$806.49, which included taxes, insurance and painting of the building owned by the Foundation.

## Garage Sale Here To Benefit Camp Roadrunner

The garage sale to benefit Camp Roadrunner will be held April 21, 22, and 23, according to Mrs. C. L. Howard who sponsors the sale at her home 815 West Lake Drive. Camp Roadrunner is a summer camp held at Brownwood for the mentally retarded.

In the past several volunteers have helped with the garage sale and donations of items have been given.

Anyone with merchandise for the sale may take it to Mrs. Howard this week. Merchandise may be priced by the one donating it, Mrs. Howard mentioned. The items received next week will need to be marked by the donor because of limited time, Mrs. Howard said.

## Blood Drive Nets 22 Pints Here

About 75 persons responded to the call for blood donors here this past Wednesday at Hamlin Memorial Hospital, according to Billie J. Speck, hospital administrator.

Of the 75 only 22 were able to give blood, she said. This is the normal average ratio of volunteers who are able to give blood.

She expressed thanks to all who made the drive a success.

Twenty-two pints of blood were placed in reserve in Meek Community Blood Bank of Abilene.

## Meeting Set In Anson for Beef Producers

A countywide meeting about the proposed Beef Research and Information Act has been called for 10 a.m. April 21 in the 66 Sirloln Cafe in Anson by Gary Mathis, chairman of the Jones County Beef Development Task Force.

Details about the upcoming beef referendum will be explained, the chairman has announced.

The educational program, which is designed for all beef and dairy cattle owners of the county, will include a slide presentation about the Beef Research and Information Act by the Texas Agricultural Extension Service.

Additionally, the BDT specialist, Dr. Whitney Rounds, will provide more detailed information about the forthcoming beef referendum.

## Cancer Crusade Fund Drive Here Raises \$1,900

Cancer Crusade tabulations in Jones County and in Hamlin have been announced by Mrs. John C. Bryant, county chairman.

Jones County contributions to date are \$4,599.25. The county goal is \$7,500 Mrs. Bryant said.

The Hamlin total, with Jean Dillard serving as chairman, has reached \$1,905.87. Bill Harbert is serving as special gifts chairman.

Mrs. Bryant expressed thanks to all the local workers in the drive.

weenees' and pork and beans. He said "Americans do not take time to enjoy food. A meal should be lengthy to be enjoyed." However, he admitted, "you can not see and do everything in Texas if you do not hurry."

One statement that Kohler made as the trip to Big Bend was nearly over amused the Scotts and Thorntons as he said, "I can travel across Switzerland in one day and I'm still five days in Texas yet! Fantastic!"

Kohler was particularly impressed with the McDonald Observatory. He is an amateur astrologist and has even constructed with a friend a small observatory in the mountains with a 12" mirror.

Other hobbies include sailing, flying, fishing, hunting,

shooting and amateur radio. He has been cycling for 23 years.

He speaks five languages fluently. During the trip with the Hamlin couples, he was able to converse in Spanish, especially with the people near the small village of Boquillas, Mexico, on the Rio Grande, and then later with a native of Zurich, Germany, in German at the Indian Lodge in Fort Davis State Park. He also speaks French and Italian.

He travels with only 20 pounds of gear, the limit allowed when he flew out over the mountains. He did have two cameras and a tape recorder. He recorded the coyotes howling in Big Bend National Park and took pictures everywhere.

Philosopher Thinks He Has Found the Key to Making Every Nation On Earth Flourish

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with a new notion for attaining world prosperity possibly.

Dear editor:

The high price of coffee, bemoaned by nearly everybody outside of Brazil, may be the key to the solution of the economic problems of the world. I'd better explain before the coffee-drinkers

start picketing your office, in case you publish this.

According to an article I read the other night, the doubling and then the quadrupling of the price of coffee has brought health to the Brazilian economy. Coffee farmers, now getting four hundred per cent more for their beans than ever before—they have more frost-free coffee trees down there than they let on—are

cleaning up. They're buying new tractors, trading bicycles in on motor bikes, and for all I know buying CB radios. Coffee traders and coffee exporters are making real money, and the Brazilian economy, given this 2 or 3 billion-dollar boost, is beginning to flourish.

This is the key to every nation's becoming economically healthy. Let each country in turn get hold of

something the rest of the world wants but hasn't got. Raise the price of it till that country booms. But they have to take turns.

Brazil for example has done it with coffee, so it's problems are solved. The Arab countries, as everybody knows, has done it with oil. When the United States' turn comes, we might do it with food. There are people on earth who place a higher

priority on food than even coffee or oil. Some of them, I'm told, if they can't ride will even walk to a grocery store.

Now as for the other countries, the problem gets sticky. France might use wine, if a frost kills all the grapevines in the rest of the world, or Frenchmen claim it does and the CIA doesn't have the ability to find out for sure, anymore than it could find out how bad the frost was in

Brazil or the drought was in Russia.

I'm hard put to think of what England could get a monopoly on that the rest of the world will pay a high price for. They speak better English than anybody else, but our schools have proved we're not interested in that.

But one man shouldn't have to bear all the burden. I've thought of three coun-

# Dockins-Woodard Vows Exchanged In Crowell

Carolyn Dockins and Larry Ray Woodard, both of Crowell, were married Saturday, April 2, at the home of the bridegroom's parents, Mr. and Mrs. R. L. Woodard in Crowell.

Parents of the bride are Virgil Dockins of Crowell and Mrs. Connie Dockins of Hamlin.

The Rev. Gary Fielding, pastor of the First Baptist Church of Crowell, performed the single ring ceremony.

Mrs. John Gholson of Haskell, sister of the bride, was matron of honor. Bridesmaid was Mrs. Steven Ainsworth of Crowell, cousin of the bride.

John Gholson of Haskell was best man and Steven Ainsworth of Crowell was groomsmen.

The bride is a graduate of Hamlin High School and attended nursing school at Stamford.

The bridegroom is a graduate of Crowell High School and is employed by N. W. Chatfield in Crowell where the couple will make their home.

Attending from Hamlin were Mrs. Connie Dockins, Ricky and Kenneth and David Hertel.

# Modeling School Coming to Anson

"Who out there wants to be thought of as charming?" asked Christi Harris of Dallas. Probably every woman alive. One of the trademarks of a charming person is her individuality and naturalness. I have often said, "There is no such thing as an unattractive girl or woman—just an untrained one."

Christi, daughter of Mr. and Mrs. J. E. Touchstone of Anson, attended Abilene Christian College and graduated from Miss Wade's Fashion Merchandising College where she majored in fashion merchandising. Upon her graduation she started modeling in the Dallas-Fort Worth area doing fashion shows, promotional modeling, and convention work. Later she was a men's accessory buyer for the Gentlemen's Quarters and then full time model for Bifano's Furs in Dallas. In 1973 Christi began teaching at a world famous modeling school in Dallas and in 1975 became executive director of that school. She has helped many young girls, career women, and grandmothers to attain their "look." Christi has been a fashion make-up artist for 3 years working for such fashion houses as Sanger-Harris, Titcher's, and Neiman-Marcus. She has lectured to numerous high schools and colleges, civic and local groups regarding self-improvement.

In 1976 Christi started her own make-up company, Christi Cosmetics. She has been very successful with her new line and many seem to love the look it gives them.

With her wide knowledge of fashion and how to put it to use Christi is starting a school expecting to open in June. Programs from ages 12 to 70 will be offered. The groups will be divided up and only 20 girls and ladies will be accepted. Subjects to be taught will be make-up, fashion, visual poise, hair styling, figure sculpturing, social graces, wardrobe and ready to wear, pageantry, speech arts, personality, yoga, etiquette and child development.

Christi will be coming every two weeks to teach the classes along with other Dallas models and professional instructors in the varied fields.

Applications can be picked up at Christi's Doll House 1319 S. Commercial in Anson. All applicants will be personally interviewed by Christi. You will be contacted for an appointment. All applications must be in by May 6.

MRS. JAMES ARTHUR WHITTEN  
... formerly Sherry Marie Carter

# Carter-Whitten Vows Exchanged Saturday

Sherry Marie Carter, daughter of Mr. and Mrs. James W. Carter, and the Rev. James Arthur Whitten were married at 4 p.m. Saturday in the First Baptist Church in Armstrong, Okla.

The bridegroom is the son of the Rev. and Mrs. James B. Whitten of Anthony, N. M.

The bride's uncle, the Rev. John H. Branch, pastor, officiated.

Beverly Carter was maid of honor for her sister. Best man was David Branch of Hamlin, uncle of the bride.

The bride, presented in marriage by her father, wore a gown of white organza with floral lace highlights on the bodice, and lace tracing the neckline, bodice, long sheer sleeves and flowing A-line skirt that curved to a sweeping chapel train. She carried a bouquet of white daisies and babies'-breath.

The bridesmaid's gown of blue sheer dotted swiss was designed with white lace trim at the V-neckline, down the long sleeves, and around the fitted cuffs. She carried a long stemmed blue carnation.

The bride will be a May graduate of Hamlin High School.

The bridegroom, a 1969 graduate of Parkland High School in El Paso, attended Jacksonville Baptist College. He is pastor of Calvary Baptist Church.

The couple resides at 147 Southwest Avenue B.

Attending the wedding from Hamlin were Mr. and Mrs. Carter and Beverly, David Branch and the bride's grandmother, Mrs. W. S. Carter.

# Recipes

APPLE KUCHEN  
Wanza Baker

1/2 c. butter or margarine. (softened)  
1 pkg. yellow cake mix  
1/2 c. flake cocoanut  
1 can (20 oz.) pie sliced apples (well drained)  
1/2 c. sugar  
1 tsp. cinnamon  
1 c. sour cream  
2 egg yolks

Heat oven to 350 degrees. Cut butter into cake mix until crumbly. Stir in cocoanut. Put mixture lightly into ungreased oblong pan building up slight edges. Bake 10 minutes.

Arrange apple slices on warm crust. Sprinkle sugar and cinnamon mixture over apples.

Blend sour cream and egg yolks. Drizzle over apples. Bake 25 minutes or until edges are light brown. Serve warm. Do not overcook.

# Charm School To Be Offered

Christi Harris of Dallas, daughter of Mr. and Mrs. J. E. Touchstone of Anson, is advertising for applicants for a charm school expected to open in June. Subjects to be taught will be make-up, fashion, visual poise, hair styling, figure sculpturing, social graces, wardrobe and ready to wear, pageantry, speech arts, personality, yoga, etiquette and child development.

Applications may be picked up at 1319 S. Commercial in Anson.

Visitors of Mr. and Mrs. W. L. Moore during the Easter holidays were Mr. and Mrs. Larry Moore, Shelly, Scottie and Randy of Fort Worth, Mr. and Mrs. Kenneth Ferguson and Chris of Muleshoe, Mr. and Mrs. Ronnie Wilcox and Bryan of Fort Stockton and Mr. and Mrs. Mike Galaway and Mike of San Angelo. Mrs. Galaway is Mrs. Moore's sister, the former Bettie Jones, and grew up in the Hamlin area. During the week visitors were Mr. and Mrs. Charles Ferguson of McCaulley, Jo and Darwin Fraser and Lana Hall of Abilene.

# Mrs. Mayfield Honored On 83rd Birthday

Mrs. Alice E. Mayfield of Hamlin celebrated her 83rd birthday in the home of Mr. and Mrs. James E. Mayfield in Abilene. Four of her six children, six of her grandchildren and several great grandchildren were present.

Attending were a daughter and family Mr. and Mrs. Cliff Butler of Hamlin, Doug Butler of Tomball, Mrs. Doyle Foster and children of Pasadena; a daughter and family, Mr. and Mrs. Harry Lee of Abilene, Earl Ray Sampson and children, Mr. and Mrs. Warren Dorsey and children, all of Mansfield; a daughter and family Mr. and Mrs. James E. # Mildred Weaver Hosts Phebean Class Meeting

Phebean Sunday School Class of First Baptist Church met April 5 in the home of Mildred Weaver for the Easter social.

Other hostesses were Lillian Greer and Mildred McDonald.

Mrs. Georgia George opened the meeting with prayer. Dorothy Albritton presented the devotion on the "Message of Easter."

Others attending were Mary Holmes, Raye Gregory, Bettie Miller, Bobbie Wright, Mayme Deel, Leona Carter, Zelma Perryman, Clarice Crowley and Maggie Wainscott.

Mr. and Mrs. Glen Drake and daughters of Waco visited in the home of Mrs. Peggy Kieschnick and Eric over the Easter holidays.

Mr. and Mrs. Gary Connally, Shelley and Matthew of Hico were weekend visitors of their parents Mr. and Mrs. Charles Connally and Mr. and Mrs. Dwaine Stephens. They also visited other relatives.

# Flossie Ferrell Re-elected VFW Auxiliary Head

Flossie Ferrell was re-elected president of the Ladies Auxiliary to Veterans of Foreign Wars at the April 4 business meeting at the Post home.

Other officers re-elected were Clara Scott, senior vice president; Ina Robinson, junior vice president; and Jewell Green, treasurer. Others elected were Zelma Perryman, secretary; Maria Robbins, chaplain; Edith Ely, conductress; Inez Nichols, guard; and Zula Cosby, Bonnie Bundas and Wanda Lee Blackburn, trustees.

The Lite-A-Bike program sponsored by the VFW and the Ladies Auxiliary provided tapes for 50 bicycles at the elementary school, it was reported.

The next meeting will be May 2 at 7:30 p.m. at the Post home.

Larry Moore of Fort Worth and Helen, Kenneth and Chris Ferguson of Muleshoe were here for the funeral of their aunt, Mary Hicks of Anson last week. Mrs. Hicks was a sister of W. L. Moore. Early Tuesday morning of

this week Moore received word that his brother-in-law, L. R. Edens of Amarillo, had died of a heart attack. Mr. Edens was a former resident of Anson, but had lived in Amarillo the past 32 years. His wife, Willie Frances is the daughter of the late Reverend and Mrs. W. R. Moore, Jones County pioneers.

# Beach Smiths Observe 39th Anniversary

Mr. and Mrs. Beach R. Smith celebrated their 39th wedding anniversary Easter with their children and

grandchildren as guests for the dinner catered by Jordan's at noon.

Guests included their son and family, Mr. and Mrs. Gary Smith, Eric and Dane of Haskell and a daughter Mrs. Murray (Malinda) Harris of Wichita, Kan.

Mrs. Harris came last week to be with her mother for minor surgery last Tuesday at Hendrick Memorial Hospital in Abilene.

Last week Mrs. Doyle Foster, Connie Valinda and Ronnie of Pasadena, daughter of Mr. and Mrs. Cliff Butler visited in Hamlin. Also their son Doug Butler of Tomball spent a week visiting.

"Now Your Electric Service Bill Gives You Even More Information"

Fuel Adjustment Cost Will be Shown As A Separate Item.

The fuel charge you have been paying is now shown as a separate item on your bill from WTU. The money from this charge is used for ONLY ONE PURPOSE— TO PAY THE INCREASED PRICE OF FUELS needed to produce your electricity. None of this money is used for profits or for any other expenses.

Your electric service bill will be similar to the one shown here with base rate and fuel cost charges included among the separately listed items. We've prepared a line-by-line guide to explain these items in your bill.

WEST TEXAS UTILITIES COMPANY

WTU

A Member of The Central and South West System

LINE ONE is the base rate portion of the monthly bill. It also shows amount of kilowatt hours used.

LINE TWO shows the fuel adjustment has been part of the rate since 1959, but until now has been included as part of the base rate on your bill. The six-digit number shown (.017076) is the fuel adjustment factor. This factor reflects the difference between the price of fuel this month and the price in 1959.

This adjustment factor is then multiplied by the number of kilowatt hours used by you, the individual customer. Example: .017076 x 562 = \$9.60

LINE THREE shows any charges for other electric services, which on this bill includes a Guard-Lite.

LINE FOUR shows the amount of SALES TAX remitted to the STATE.

LINE FIVE indicates your total bill for electric service.

FROM THE FILES . .

FIFTY YEARS AGO  
(April 15, 1927)

It used to be a common thing to report the sale of steers or the cattle market, and such items are interesting yet, but to chronicle the sale of spring chickens might sound too little. But the poultry business is indeed taking the place of the cattle ranch. Listen how this sounds: This week Curtis Martin, who has been operating a small poultry farm individually sold 650 nice spring fryers, part of his "herd" to the Hamlin Produce Co. for \$350.70. That's some nice money for chicken meat. There were 1169 pounds at 30 cents per. That means the harvest of a pretty good crop.

Curtis is now manager of the Hamlin Hatchery and ere long Chip, chip! as the eggs begin to hatch. Just 47,000 chirping chicks will soon give way to several thousand jingling dollars.

D. A. Collum, manager of the Hamlin Produce is paying out hundreds of dollars every day for chickens and poultry products. What Curtis Martin did last week others can do. Again we repeat, "the world is hungry for chicken," chicken fried, chicken stewed, chicken pie, chicken dinner is all the cry. It is not asking banks too much to take chickens on security. They pay off notes better than cotton. Plant an egg and grow a hen.

W. F. Beavers has his second new bungalow well under way on his lots one block east of the north end of the paved street. This means that the Highway street leading east is to become one of the best residence streets in town. Mr. Beavers will later begin the erection of a modern Service Station on the corner between his two houses.

W. A. Nobles Jr. enjoyed his eleventh birthday last Tuesday when he entertained with a party from 4 to six o'clock.

After all had arrived there were several interesting games played, but the most interesting of all was the Easter Egg hunt, each getting a nice basket, with eggs or a rabbit to remind them Easter was near.

Little Miss Marry Margarite Nobles and James Wood lead the way to the dining room where cake and punch were served to the following Floyd Berry and Marcelle Jones, Earnest Hawington and Edna Mae Mayfield, George Palmer Jr. and Juanita Wood, William Elliott and Judy Via, Warren Nobles and Margarite Boyd, W. A. Naver Jr. and Aretta Roberts, Parker May and Geneva Albritton, Rex Gibson and Lucile Owens, Jack Wilson and S. Sarah Randel, W. W. Collier, Jocile Russell, H. O. Cassle and Elma Joy Wilson, Thad Harden Jr. and Clyde Wilson, Robert Jennings and Sara Q. Martin, Richard Feagan and Mildred Nobles.

TWENTY YEARS AGO

In conformity with similar restrictions elsewhere, no city and rural mail deliveries will be made on Saturday, beginning this weekend, out of the Hamlin post office. This announcement was made by Postmaster Perry F. Sparks of the Hamlin post office Monday after he received official notification from Washington.

New routing of a farm-to-market highway from Hamlin west to Royston was approved last Wednesday at Austin by the Texas Highway Commission, according to Bruce McCain, Fisher County judge at Roby.

Routing of the 10 1/2 mile project will now go due west from the Carlton Blacksmith Shop in Southwest Hamlin out by the Hamlin Lakeview Country Club, General Crude Oil Company camp and on to Royston. It will serve an estimated 19 families not now served with a paved highway.

Davey Weaver was announced as winner of the Star Chapter Farmer of the Hamlin Future Farmers of America as the climax to the annual father-son banquet staged Tuesday evening by the FFA group Tuesday evening at the HHS gymnasium.

W. C. Eoff and R. L. McClung were named honorary chapter farmers and were recognized for their contribution to work of the FFA during the past year.

Six Hamlin High School tracksters will go with Coach Jim Herridge to Brownwood Saturday to participate in the regional track and field meet that will determine state contenders from Central West Texas. They previously had placed first or second in various events at the District 4-AA contest.

Boys making the trip and their events follow: Don Adair, high jump; Doug Ford, low hurdles and mile relay; Bill Murff, 440-yard dash and mile relay; Sonny Winegeart,

440-yard dash and mile relay; Jim Bryson, mile relay, and Virgil Wilson, high hurdles and low hurdles.

TEN YEARS AGO

A group of girls playing as the Heidenheimer Honeys won the women's division of the Jaycee Volleyball tournament here last week. The players are Linda Bailey, Sharee Nail, Margaret Cooper, Janice Hardaway, Kay Hodnett, Rhea Sue Vaughan, Pauline Lakey and Marcia Steele.

The Piper Track Squad qualified seven boys to go on to the Regional Meet in Lubbock April 21 and 22 at the District 5-AA Meet held in Colorado City Saturday. The Hamlin team placed third in the district meet with 106 and one-fifth points.

Qualifying for regional for Hamlin were: the 440 yard Relay Team of Philip Simpson, Clifford Titus, Sammy Ferguson and Louis Shelton with a first; Milton Davis with a first in the Discus; James Cork with a second in the Broad Jump; Jim Bonds with a first in the High Jump, a first in the 120 yard high hurdles and a second in the 330 yard intermediate hurdles.

The Hamlin School Board approved final plans for the new high school here Monday night in the regular monthly Trustee meeting in the Superintendent's office in the high school.

The Architectural firm of Tittle, Luther, Loving and Lee of Abilene announced after the board's approval that they would have the completed plans ready in about ten days and that the board could be ready to accept bids between May and June.

Hamlin High School students who earned the right to go to regional competition are making preparations for the trip to Lubbock April 22. The students and the places they won at the Colorado City district contest are La Wanda Coleman, prose interpretation, first; June Hill, shorthand, second; Helen Moore, shorthand, third; Linda Cox, persuasive speaking, first; Tommy Oliver, persuasive speaking, first and Augustin Barron, typing, first.

Cub Scouts of Den 10 toured the Hamlin Herald plant Wednesday afternoon accompanied by their den mothers, Mrs. Jerry Williams and Mrs. Joe E. Ford.

The group included Alan Steele, Gerald Rodgers, Raymond Jordan, Mike Williams, Ricky Craig, Ken Maberry, Randy Bush, Mark Fowler and Gary Ford.

places where they need it.

"Rep. Dingell said it was a disgrace the way natural gas prices have gone up and said that some homeowners in this state were paying monthly fuel bills as high as their house payment. This is because the oil companies are imposing unfair prices on the people and he wants to stop this practice. He said decontrol would not bring any more gas but merely raise the price of the gas now available. Dingell said that this country has to practice conservation, lower consumption and learn how to live a different life style. If the oil industry is depending on Mr. Dingell for relief, they have a long wait.

LOOKING HER BEST FOR

Easter

Easter is a day of conquest . . . a day of new life . . . a day of beginnings . . . This is the day that our Saviour arose in a mighty triumph over the grave. This is a day of joy . . . a day to remember . . . a day to attend services in the church that our Lord loved so much, but even though we all want to dress up and look our best for this special day it is not the most important part. for God does not look on outward appearances, but looks on the heart.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Pecan Trees Need Several Zinc Sprays

Texas pecan trees must receive several zinc sprays in the Spring and early summer in order to obtain normal shoot growth and regular production, says Jones County Extension agent, Kirby Clayton.

Since the pecan tree has

difficulty in absorbing zinc from the soil, spraying it on the leaves is a quick and effective way to supply the tree with zinc. Four zinc sprays are optimum says Clayton and the following spray periods are recommended.

- 1st - Spray period - Bud Break
- 2nd - Spray period - Pre-pollination
- 3rd - Spray period - 2nd - Pecan nut case Bearer
- 4th - Spray period - 2nd - Pecan nut case Bearer

Recommended Materials are 2-3 of Zinc sulfate in 100 gal. of water or 1 1/4 qts. of NZN in 100 gals of water. Zinc Sprays are most effective when applied early in the season and when used in combination with a good fertilizer program.

# WHAT WILL YOU NEED TO KEEP THE WHEELS OF PROGRESS TURNING IN YOUR COMMUNITY?

Communities that have built a strong, healthy economy know what they must have to keep the wheels of progress turning in the years ahead. Although each community is different, the basic requirements will be the same:

A labor force known for its productivity. Municipal water supplies that can outlast a drought. A good

transportation network. Diversification of industry, just to be on safer ground. Cultural and recreational attractions. Favorable tax structures. Strong leadership.

And energy to power assembly lines. Energy to heat, cool, process foods, lift, spin, dry, pump, drill, press, shape, compute or to use however industry needs it to create products that create jobs.

### Meet the Changing Times.

The cheap and abundant energy available here in years past is one reason this area emerged from the recent recessions with one of the strongest economies you'll find in the nation. Few others have a business outlook as optimistic or an employment level as high.

The days of cheap energy are gone, of course. The cost of producing and distributing energy of almost every type has increased dramatically. This, with the demand that exists for energy, has forced a sharp increase in the prices that you and people everywhere are having to pay for it.

But the availability of an abundance of energy to keep the wheels of progress turning in this area still holds true.

**You Can Have What You Need.**

Natural gas, for example. Lone Star's pipeline system now extends into basins that contain 50% of the remaining onshore gas reserves in the United

States. And this puts us in an excellent position to buy enough new gas reserves to last all of our customers for many decades.

Securing these reserves will be essential to the future of the communities served by Lone Star. Because gas not only meets your energy requirements directly, but indirectly as the primary fuel for generating most of the electric power you use.

The new gas will cost more, and Lone Star will have to recover the actual cost of it on a timely basis. A bargain, even so? Yes. Because these long-term supplies will help your community build job security through business growth.

And that's a bargain in anybody's economy.

**Lone Star Gas Company**

Working energetically for your area's future.

## Legislative Report

By Rep. Elmer Martin  
The issue of public school finance was expected to come before the House of Representatives early this week.

House Bill 750, which was reported out of the House Public Education Committee, represents a reversal of the trend two years ago for local school districts to pick up a greater share of the public school funding tab.

According to the projections for Hamlin ISD, Hamlin will spend \$723,300 for public education. Of that amount, \$564,100 will come from the State, with Hamlin paying the remaining \$158,800.

(Editor's note: These figures are for the minimum foundation program only and do not include debt retirement and much of the other cost of the education program paid for by local taxpayers.)  
Hamlin's local fund assignment should decrease from its present level by \$82,800 under the proposed measure.

Under the proposed public school finance measure, the State's share of the Minimum Foundation Program is increased and property tax

reductions are mandated at the local level.

Provisions for House Bill 750 will freeze local property taxes at their present level for the fiscal year 1978 and provide a \$73 million statewide reduction for the fiscal year 1979.

It is expected that several amendments will be proposed to House Bill 750 once it reaches the House floor.

**BUDGET APPROVED**  
The House Appropriations Committee Thursday approved and sent to the House floor its version of the general appropriations bill calling for the expenditure of some \$15.7 billion for the fiscal years 1978-79.

This measure does not include proposals for school finance or teacher pay raises, which total \$957 million for the biennium.

The most significant dollar amounts in the proposed state budget include appropriations for the state highway system, the state's health, welfare and rehabilitation agencies, higher and public education.

## Fertilizer-Herbicide Mixes Should Be Used With Care

Gardeners often purchase a combination of fertilizer and herbicide (weed killer) because it is so easy to use and saves extra work. But such a mixture can also cause lawn and garden problems if not used properly, says Kirby Clayton, county agent with the Texas Agricultural Extension Service.

The problem with a fertilizer-weed killer mix is that the user often applies the material without regarding the fact that a weed killer must be used much more carefully than fertilizer.

Weed killers can be especially damaging if misused since they will kill

trees, shrubs and vines as well as weeds, cautions Clayton.

Since tree roots stretch out many feet, a tree can often receive herbicide damage. Thus a herbicide should not be used near a tree. Weeds around trees are best dealt with by digging them up and planting a ground cover such as English Ivy if grass will not grow in the shaded area.

Any time a herbicide is used, special attention should be given to the time and rate of application. Carefully read and follow the manufacturer's recommendations on the label, advises Clayton.

## May 6 Is Starting Date For Brush Control In County

The time to spray mesquite and skin oak is just around the corner, according to Bill Simpson of the Soil Conservation Service. The beginning date has been set as May 6 to spray mesquite and skin oak in Jones county.

Some land that now has from 10-30 percent of brush crown canopy can use aerial control as a way to increase forage production. When the

brush crown canopy is in excess of 30 percent densitie high priority must be given so that the planned treatment where needed will prevent soil and water erosion. This can be done by rootplowing and re-seeding, and should be done not later than June 1.

The sign-up for cost-share assistance is now underway and will continue through April 29, in the ASCS office in Jones County. Should chemical control be considered, spraying should not be earlier than 40 days and not later than 90 days after the first leaves appear on the trees.

**Five Classes Remain In  
Year's Com-Ed Program**

Five classes remain to be offered during the current school year in the Hamlin Community Education program sponsored by the Hamlin Public Schools. Anyone desiring to take one or more of the courses may enroll by attending the first class meeting and paying the course fee, according to

Carlton Taylor, program director.

The five courses scheduled are Powder Puff Mechanics, Basketball for Adults, Beginning Tennis, Swimming for Ladies and Purse Making. Grocery Checking, originally scheduled to begin May 12, has been cancelled and replaced by Basketball for Adults.

All residents of area towns are invited to attend any of the classes to be offered.

Powder Puff Mechanics is scheduled to begin tonight (Thursday) and will meet in the high school shop on Thursdays from 7 to 9 p.m. for four weeks. The fee for the class is \$4.00 with Earl Pritchard as instructor. The course will provide women with basic knowledge of the operation and maintenance of automobiles.

Basketball for Adults will start Tuesday, April 19, and will meet on Tuesdays and Thursdays for six weeks from 7 to 9 p.m. in the high school gymnasium. The fee is \$12.00 with Coach Keith Barrick serving as instructor. The class is designed for those who wish an evening of exercise.

Beginning Tennis will be offered for both adults and students with the adult class starting Friday, May 27 and the student class on Saturday, May 28. The adult class will meet each Friday from 7 to 9 p.m. for four weeks and the student class will meet each Saturday from 8 to 10 a.m. for four weeks. Both classes will meet on the tennis courts located behind the public school gymnasium. The fee for either class is \$4.00 with Coach Jim Lisle serving as instructor. Those taking the course must furnish their own equipment.

Swimming for Ladies will begin on Monday, June 6, and will meet at the city pool on Mondays from 7 to 9 p.m. for four weeks. The fee will be \$4.00 with Coach Bill Grissom serving as instructor. The course will be designed for ladies of all ages to enjoy an evening of exercise but will also include basic swimming instruction for those who desire it.

Purse Making will begin on Tuesday, June 14, and will meet on Tuesdays and Thursdays for two weeks from 7 to 9 p.m. in the high school homemaking department. There will be no charge for this course and Mrs. Edith Carter will be the instructor.

For more information contact Taylor at 576-3624 or 576-2319.

**Graveside Rites

## Legislative Report

By Rep. Elmer Martin  
The issue of public school finance was expected to come before the House of Representatives early this week.

House Bill 750, which was reported out of the House Public Education Committee, represents a reversal of the trend two years ago for local school districts to pick up a greater share of the public school funding tab.

According to the projections for Hamlin ISD, Hamlin will spend \$723,300 for public education. Of that amount, \$564,100 will come from the State, with Hamlin paying the remaining \$158,800.

(Editor's note: These figures are for the minimum foundation program only and do not include debt retirement and much of the other cost of the education program paid for by local taxpayers.) Hamlin's local fund assignment should decrease from its present level by \$62,800 under the proposed measure.

Under the proposed public school finance measure, the State's share of the Minimum Foundation Program is increased and property tax

reductions are mandated at the local level.

Provisions for House Bill 750 will freeze local property taxes at their present level for the fiscal year 1978 and provide a \$73 million state-wide reduction for the fiscal year 1979.

It is expected that several amendments will be proposed to House Bill 750 once it reaches the House floor.

### BUDGET APPROVED

The House Appropriations Committee Thursday approved and sent to the House floor its version of the general appropriations bill calling for the expenditure of some \$15.7 billion for the fiscal years 1978-79.

This measure does not include proposals for school finance or teacher pay raises, which total \$957 million for the biennium.

The most significant dollar amounts in the proposed state budget include appropriations for the state highway system, the state's health, welfare and rehabilitation agencies, higher and public education.

## Fertilizer-Herbicide Mixes Should Be Used With Care

Gardeners often purchase a combination of fertilizer and herbicide (weed killer) because it is so easy to use and saves extra work. But such a mixture can also cause lawn and garden problems if not used properly, says Kirby Clayton, county agent with the Texas Agricultural Extension Service.

The problem with a fertilizer-weed killer mix is that the user often applies the material without regarding the fact that a weed killer must be used much more carefully than fertilizer.

Weed killers can be especially damaging if misused since they will kill

trees, shrubs and vines as well as weeds, cautions Clayton.

Since tree roots stretch out many feet, a tree can often receive herbicide damage. Thus a herbicide should not be used near a tree. Weeds around trees are best dealt with by digging them up and planting a ground cover such as English Ivy if grass will not grow in the shaded area.

Any time a herbicide is used, special attention should be given to the time and rate of application. Carefully read and follow the manufacturer's recommendations on the label, advises Clayton.

## May 6 Is Starting Date For Brush Control In County

The time to spray mesquite and skin oak is just around the corner, according to Bill Simpson of the Soil Conservation Service. The beginning date has been set as May 6 to spray mesquite and skin oak in Jones county.

## Oak Grove Sets Dinner Saturday

The Oak Grove Baptist Church B.T.U. is sponsoring a dinner Saturday beginning at 5:30 p.m. in fellowship hall. Pearl Hunter is B.T.U. president.

Menu will include fried chicken, scalloped potatoes, green beans, fruit salad, rolls, assorted pies, tea and coffee.

Price per plate is \$2.25, and the public is invited.

## Five Classes Remain In Year's Com-Ed Program

Five classes remain to be offered during the current school year in the Hamlin Community Education program sponsored by the Hamlin Public Schools. Anyone desiring to take one or more of the courses may enroll by attending the first class meeting and paying the course fee, according to

Carlton Taylor, program director.

The five courses scheduled are Powder Puff Mechanics, Basketball for Adults, Beginning Tennis, Swimming for Ladies and Purse Making. Grocery Checking, originally scheduled to begin May 12, has been cancelled and replaced by Basketball for Adults.

All residents of area towns are invited to attend any of the classes to be offered.

Powder Puff Mechanics is scheduled to begin tonight (Thursday) and will meet in the high school shop on Thursdays from 7 to 9 p.m. for four weeks. The fee for the class is \$4.00 with Earl Pritchard as instructor. The course will provide women with basic knowledge of the operation and maintenance of automobiles.

Basketball for Adults will start Tuesday, April 19, and will meet on Tuesdays and Thursdays for six weeks from 7 to 9 p.m. in the high school gymnasium. The fee is \$12.00 with Coach Keith Barrick serving as instructor. The class is designed for those who wish an evening of exercise.

Beginning Tennis will be offered for both adults and students with the adult class starting Friday, May 27 and the student class on Saturday, May 28. The adult class will meet each Friday from 7 to 9 p.m. for four weeks and the student class will meet each Saturday from 8 to 10 a.m. for four weeks. Both classes will meet on the tennis courts located behind the public school gymnasium. The fee for either class is \$4.00 with Coach Jim Lisle serving as instructor. Those taking the course must furnish their own equipment.

Swimming for Ladies will begin on Monday, June 6, and will meet at the city pool on Mondays from 7 to 9 p.m. for four weeks. The fee will be \$4.00 with Coach Bill Grissom serving as instructor. The course will be designed for ladies of all ages to enjoy an evening of exercise but will also include basic swimming instruction for those who desire it.

Purse Making will begin on Tuesday, June 14, and will meet on Tuesdays and Thursdays for two weeks from 7 to 9 p.m. in the high school homemaking department. There will be no charge for this course and Mrs. Edith Carter will be the instructor.

For more information contact Taylor at 576-3624 or 576-2319.

## Graveside Rites Held Friday for Mrs. L. E. Griffin

Funeral for Mrs. L. E. (Flora Mae) Griffin, 76, of Clyde, a former resident of Hamlin, was held at 10 a.m. Friday at Clyde Church of Christ.

Tom Holcomb, minister, officiated, assisted by James Fulbright of Abilene. Burial was in Hamlin East Cemetery, directed by Bailey Funeral Home of Clyde.

Born Nov. 22, 1901, in Fisher County, she married L. E. Griffin July 16, 1919, in Roby. She had lived in Colorado City before moving to Hamlin and later lived in Rotan, Cisco and Baird before moving to Clyde.

She was a member of Clyde Church of Christ and a member of the Eastern Star.

Survivors include her husband; a daughter, Mrs. H. E. (Velta) Lawson of Gainesville; a son, Lorene Griffin of Dallas; five grandchildren; and five great-grandchildren.

## Funeral Service Held Monday for Mrs. A. A. Stuart

Funeral for Mrs. A. A. Stuart, 84, was held at 4 p.m. Monday at First Baptist Church. The Rev. Howard Jones, pastor, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Mrs. Stuart, a resident of Hamlin since 1905, died at 4:30 p.m. Sunday at Hamlin Memorial Hospital.

Born Rosa Lela Clark Aug. 3, 1892, in North Carolina, she was the daughter of the late Mr. and Mrs. C. T. Clark.

She married Asa A. Stuart at Grand Saline, Texas in 1908. He preceded her in death.

She was a member of First Baptist Church.

Survivors are two sons, Clifford Stuart and Olan

Stuart, both of Hamlin, four grandchildren and nine great-grandchildren.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Pallbearers were Bill Shira, Dewey Donham, Jackie Williams, Lewis Madden, Joe Wayne Carter and E. A. Lawlis.

## Sister Dies In Anson, Services Held Wednesday

Funeral for Mrs. Alvie (Mary Lee) Hicks, 67, of Anson, sister of W. L. Moore, was held at 10 a.m. Wednesday at Anson First Baptist Church.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Joe Norton, Nazarene evangelist, both of Hamlin, officiated.

Burial was in Memorial Park Cemetery in Amarillo after graveside rites at 5 p.m. Wednesday.

Born Mary Lee Moore June 2, 1909, in Comanche County, she moved with her parents to Jones County in 1919.

Survivors include two daughters, Peggy Hockman of Anson, and Betty L. Cave; her mother, Mrs. W. R. Moore of Anson; four brothers, William Lee Moore of Hamlin, J. L. of Anson, W. R. Jr. of Amarillo and Johnny Moore of Nashville, Tenn.; four sisters, Mrs. Oscar Stephenson and Mrs. Ollie Hale, both of Anson, Mrs. L. R. Edens of Amarillo and Mrs. Gene Melton of Natrop, Colo., and six grandchildren.

Mr. and Mrs. Bob Craig visited with their son and daughter, Darrell Craig of Galveston and Beth Craig of Houston in Houston during the weekend.
